

Prayer news: May 2019

Prayer underpins and runs through everything we do. Thank you for joining with us.

City Centre

- One of the men we first met on street outreach is now in rehab. Give thanks that he has taken this step and please pray he will complete the programme and be able to enjoy a full life free of addiction. Please pray for another guest who is hoping to enter rehab and we are helping them to apply for a space.
- Pray for those of our international guests who are in the process of sitting English language exams as part of college courses. Passing these exams will enable them to study a wider range of courses at college and university.
- Some of our guests who are ready to take on more responsibility become helpers at our city centre project, for example helping in the kitchen and with serving food. We are thankful that some new helpers have recently started. Please pray they quickly feel part of the team, and that existing helpers will continue to feel motivated.

Child and Family Centre, Govan

- It's the summer term, and we are planning lots of fun trips and outings for our families. Please pray for safe travel and that the outings will be lots of fun and will provide opportunities for deepening of relationships.
- Please pray for the parenting course called Circle of Security which we are running with the NSPCC. Give thanks that the first course which we ran earlier in the year went well. Pray that all the parents who are taking the current course will be feel better equipped in their parenting and this will in turn will enable their children to flourish.
- Please pray we will be able to find more volunteers to help at the Child and Family Centre, to help in term time and in the holidays.
