Sleeping bag @ £20

Food & support for someone homeless for 1 month @ £22

Back to work support @ £39

£5 coffee voucher

Sometimes the best thing we can do for someone is to sit and listen over a coffee. Your gift will allow us to take someone offsite and spend quality time listening.

£10 cinema voucher

We all like a good movie however cinema these days can be expensive and exclude many of our clients from participating. Your gift will enable someone to enjoy a trip to the cinema and something to look forward to for their weekend.

£20 clothes voucher

Some of our clients would like to have new clothes however receiving a tired hand-me down from a stranger may not always fit or be the right thing. Your gift of a clothing voucher means they can select the right clothes for themselves in a more dignifying way that values their choice and individuality.
