

## Prayer news: October 2022

Thank you for joining with us in prayer for men, women and families affected by homelessness and poverty.

### City Centre

- Please pray for our guests as winter approaches. Pray for their welfare during this cost of living crisis, that they will be warm and well fed throughout the winter months.
- Pray for success for our Rehab Pathways Team of David, Tim and Barry as they work with those in addiction to get guests into rehab in the first steps towards turning their lives around.
- Pray for the renewed advertising for one of our chef positions; pray that God will direct the correct person to us.
- Give thanks for our Church Open Morning; pray that some of those who came will consider volunteering roles at the Mission.

### Child and Family Centre, Govan

- Please pray for a great outcome from the recent public consultation held in Govan for phase two of the garden project in Elder Park.
- Pray for the new children in the nursery as the majority have additional support needs with some not speaking yet. Pray for wisdom and patience for the nursery staff as they help their development.
- Pray for the International groups to continue to develop and meet the needs of the people. Ask God to provide the volunteers we need for the English class.
- Pray for the shortlisting process for the part time project worker; pray that we will recruit the best person for the role.

### Overnight Welcome Centre (OWC)

- We are in the midst of the recruitment process for our team; please pray for those who will apply.
- Pray for the small number of people rough-sleeping in Glasgow just now, pray that they will get appropriate accommodation soon.
- Pray for our partnerships with the other agencies across the city as we all work for the benefit of our guests.
- Give thanks for an OWC guest who has finally moved into supported accommodation. Please pray he settles and stays there.
