

## Prayer news: January 2023

Thank you for joining with us in prayer for men, women and families affected by homelessness and poverty.

### City Centre

- Please pray for our guests returning after the Christmas break - some will have really struggled with loneliness.
- Pray for our guests who are struggling with addiction. Pray that they will all take positive steps this year as they interact with our Rehab Pathways Team.
- Pray for quality candidates to apply for the two vacant posts, International Women's and Children's Worker and Administrator, we are advertising at present.
- Pray for our staff vision afternoon tomorrow, 6 January. Pray that the Holy Spirit will direct our discussions.

### Child and Family Centre, Govan

- Pray for our various groups starting back including a parenting course and a trauma course starting later in January. Pray we will get the right facilitators and as many people as possible taking part.
- Pray for our schools' work as we reach out to young people from Govan High and run Messy Science at the local primary school, Pirie Park.
- Pray for good health as we have had recent staff sickness.
- Pray for the holistic well-being of our children and that they will continue to thrive and develop as healthy and confident individuals.
- Pray for our men's work and James who leads this. Pray for deeper connections and lasting relationships.

### Overnight Welcome Centre (OWC)

- Pray for our OWC staff team. Pray for patience and wisdom as they deal with complex cases.
- Pray for our guests that have moved into emergency accommodation. Pray that the best permanent accommodation option opens up for each of them.
- Give thanks for how peaceful the OWC has been overnight.
- Give thanks for the positive partnership working we have been involved in across the city. Pray that this continues.
