

Prayer news: November 2023

Thank you for joining with us in prayer for men, women and families affected by homelessness and poverty.

City Centre

- Please pray for our guest Hamza, pray that he will keep coming in to see us and moving forward with his life.
- Pray for those sleeping rough in the city. The numbers are rising and we are very concerned with the situation as we move into the winter.
- Please pray for the new women's recovery group that we are starting this month.
- Pray for our Rehab Pathways' guests. We have 17 engaged in support/group work, two seeking rehab, nine currently going through rehab and 12 in aftercare. Pray also for wisdom for the team, and that we will continue to be led by the Spirit.

Child and Family Centre, Govan

- Pray for the safe arrival of one of our parent's baby boy. We have a beautiful donated gift for the baby, which will convey the love and provision of God in his life.
- Pray for our work at Govan High School. Pray that the pupils will engage with the resilience message and get the benefits of this knowledge. Pray for James as he speaks at Govan and Linthouse Church to promote this work.
- Please pray for a new developing partnership with another local school. We have been invited to teach Messy Science which demonstrates that faith and science are complementary.
- Give thanks that our after school clubs are growing numerically. Pray that our partnership work with SU will continue to develop. We will meet shortly with SU leader Tim Raines to discuss further opportunities for kids' camps etc.

Overnight Welcome Centre (OWC)

- Give thanks for our full OWC team. Pray for any nerves to go and for an excitement about the work ahead.
- Pray for our staff training, which will take place this month. Pray for clarity for those who will be training us and pray for peace for the staff as they take all the information in.
- Pray again about the rise in rough sleeping numbers. Pray that our guests will be able to receive access to beds throughout the winter.
